

WGS Affiliated Faculty Meeting Minutes

January 30th 3:30—4:30 PM

DM 140 – HL210

Present: See sign-in sheet

1. Program review-

- We need to measure impact of name change. Dr. Darici shares program review. Note from Dean Newman's changes.
- Look into gender diversity before and after the name change.
- We haven't had enough time since name change.
- Maybe we should reflect queer studies certificate, to show why we change name.
- WGS housed in SISH → CAS
- NEED *Copy of signed consortium papers.
We need to bring out/highlight the BA emphasize
- We are creating students that are more aware of women, diversity
- Having a women's studies certificate is very important to market yourself internationally, skills, writing skills → which is a nation-wide problem
- Look at centers that are "new" at a higher standard and see how they responded to the questions that are being presented.
- TOMORROW Michaela will send to everyone the self-study to review—we need to submit by Tuesday
- What does part-time faculty mean?
of FTE??
% of assignment of our core faculty.
